Additional Backup Information

The Austin 2010 Proposition 1 Mobility bond funds allocated a total amount of \$100,000 toward the MoPac Improvement Project. An Agreement for disbursement of these funds has been drafted and submitted for approval.

The agreement states that the \$100,000 will be used to directly pay, or to reimburse the Mobility Authority for its previous expenditures for the following project development activities in connection with the MoPac Improvement Project:

- (a) \$25,000 to be applied towards the development of detailed sub-corridor operational modeling, including evaluation of the southbound 5th St / Cesar Chavez weave , and
- (b) \$75,000 to be applied towards preparation of a Context Sensitive Design (CSD) guideline development package for sound walls, new structures, and improvements at local street intersections and crossings.

These funds shall be paid by the City to the Mobility Authority no later than 30 calendar days after the date the Mobility Authority delivers to the City a copy of:

- The final MoPac Improvement Project Operational Analysis
- The final CSD Aesthetics and Landscaping Guidelines and plans
